## PROFESSIONAL SUMMARY

Experienced Frontend Developer with over 6+ years of expertise in crafting user-centric websites. Led a team of 8 developers, optimizing website performance and reducing load times significantly. Proven ability to deliver multiple web solutions under tight deadlines while maintaining high coding standards. Skilled in modern frontend technologies and CMS platforms, ensuring cross-browser compatibility and accessibility.

## EXPERIENCE

### **Sagmetic Infotech Pvt Ltd, Mohali — Senior Frontend Developer | Team Leader**

**APRIL 2022 – APRIL 2025**

As a Senior Frontend Developer and Team Lead at Sagmetic Infotech, I was responsible for developing responsive, mobile-first web interfaces using HTML5, CSS3, JavaScript, Bootstrap, and jQuery. I collaborated closely with UI/UX designers and backend developers to deliver user-centric, high-performance websites while ensuring cross-browser compatibility and accessibility.

### **SwapDevelopment Pvt. Ltd., Mohali— Frontend Developer**

**JUNE 2018 – MARCH 2022**

At SwapDevelopment, I worked as a Frontend Developer, where I was responsible for creating user-friendly and visually appealing web pages using modern frontend technologies. My responsibilities included implementing new features, maintaining code quality, and ensuring consistent design across pages.

### **EH1-Infotech, Mohali— Web Development Intern**

**JANUARY 2018 – JUNE 2018**

During my internship at EH1-Infotech, I gained hands-on experience in the fundamentals of web development, working with technologies such as HTML, CSS, Bootstrap, jQuery, and Photoshop. I built several sample web pages to practice and understand responsive design techniques, cross-browser compatibility, and layout structuring.
